

Eligibility Requirements For Individual Grants:

- Assistance is awarded to spinal cord injury survivors with paraplegia and quadriplegia (**Please Note:** paralysis must be due to a spinal cord injury that was caused by an accident, separate from complications caused at birth. Paralysis due to stroke, ALS, Spina Bifida, Multiple Sclerosis, etc., are not eligible). We wish we could help all people with an SCI disorder, but our current demand far outweighs our resources.
- Applicants must demonstrate financial need and may be required to provide documentation.
- There is no age requirement.
- Applicants must reside in the United States
- Applicants must request specific modifications or equipment to apply for a Travis Roy Foundation grant; requests for "anything you can give" will not be considered.
- Examples of eligible items include upgrade and maintenance of wheelchairs, vehicle modifications (i.e., hand controls or lifts), small home modifications including ramp and lift installation, computers, and other adaptive equipment.
- **PLEASE NOTE:**
 - **Grants are not currently available towards the purchase of new or used vans; funds are available for modifications.**
 - *Due to the number of applications we receive requesting adaptive equipment that is a necessity (wheelchair, bed, home modification, etc); we cannot at this time approve grants for recreational equipment. If you are looking for a FES bike or recreational or athletic adaptive equipment, you may wish to try the Kelly Brush Foundation. <http://kellybrushfoundation.org/>*
- Grants are disbursed directly to suppliers of the desired equipment or modifications. Individuals making the grant application are required to submit estimates from potential suppliers. Please complete all sections of the application; incomplete applications will not be considered.
